

September and October - 2018

Appointment times (call or text 970-576-8970)

Leave message if I am unable to answer the phone.

Avoid email during these months to make appointments as I can only get to it once a day and very late at night.

Avoid last-minutes costume needs if possible as it might be impossible!

During September and October, I am a full time co-manager of Tigges Farm www.TiggesFarm.com and we are open every day of the week and it is never less than a 10 hour day. So hours for costumes are very limited these two months.

September/October appointments may be made for most Monday, Tuesday, Wednesday, Thursday evenings 7pm, 7:15pm, 7:30pm, 7:45pm, 8pm. **Absolutely no Friday, Saturday or Sunday appointments and Thursdays are dependent on hired help schedules.**

And when the time slots are full, you may be out of luck. Not because I don't want the business, but because there is only so much of me left each day this time of year. Two years ago I ended up with "shingles." So I don't try to do more than my body can do anymore. The farm has priority as that is a partnership and was here long before the costumes.

So plan ahead! Book a time early!

Help Us Help You Select a Costume

Try to have an idea of what you have in mind for a costume as that really helps us help you make a selection. When it is wide-open, it is hard to make a selection and hard for us to help you find something. You can even send a text with a picture of what you have in mind and I can tell your right away if I have something that might work or not. If not, you have opportunity to look elsewhere and I don't mind as I want you to fulfill you costume needs with as less stress as possible.
